“ *It's October, 2023, and while trying to locate Tom online, I ran across his obit. I worked with him years ago in broadcasting and he was a total professional in all that he did. I'm saddened to learn of his passing.*

“ *I am just now hearing about Tom's death, and this upsets me so. He and my late husband, Gordon Wirt became fast friends the first time they met, way back in 1990. Our daughters were just kids and they loved being around Tom every year. I don't know anyone that loved Hot Air Ballooning more than Tom. Tom was so sweet and we loved the way he always talked about Gordon. I guess he and Gordon are talking about flying now! We will all miss him, and we are so privileged to have known Tom.*
