I too served with Van with c company 4/21 on Bridge 104. I have been trying for years to find Van, never remembered his last name. Two weeks ago I came across military Album that had Van's picture and full name. So excited I went to people search to find him. So sad I found His obituary. Was so looking foward to talking to Him. He was a great friend, so sorry for your loss. I too have some great pictures of Van if interested. Would you have any contact info on Don Kincaid? Once again so sorry
