“ *I am so sorry to hear about Billy. I worked with him in the Somerset office and wherever Billy was you knew he could make you laugh. He was such a good natured person and I had a lot of respect for his work ethics. He worked well with children and such a laid back personality that I always felt comfortable when he was around. Praying for you and your family. May God Bless you through this trying time. He will never be forgotten. I would be there tomorrow but have a Dr's appointment. Love, Kathryn Kabel*

“ I will always remember the fun times we had at the boy's football games. He was a great man and a very dear friend. He always made me smile and look at the good side of things. I will miss him.

*Billy was fun to be near! Had a zest for life, was very aware of his place in it. Wanted to change things, for the better. He did that! Served his country in Vietnam! Proud to have known him! God bless Becky!!
